Announcement

HERE is a great opportunity to buy the most useful cattle known to man. We request that you read this catalog carefully. Note the large number of cows that have calves at foot and are rebred. All others of breeding age are safely with calf to the outstanding bulls that head these three good herds. These are the sort of cattle that are sure to produce a profit for their buyers.

The bulls are a good, strong, thrifty lot, well grown and well bred. They are real herd headers. Farmers and breeders need go no farther than this sale to get first class Scotch Shorthorns that are first class dual purpose cattle. Good to produce beef and milk not just beef or just milk. Their pedigrees will suit the most critical. They are from prize winning stock. Their type will suit the most discriminating breeder and they have the quality and character that indicates their ability to reproduce their kind.

Come to this sale. Every animal listed in this sale will go to the highest bidder and we know that they will not bid too high. Invest in a few good Shorthorns and get the highest price for your grain and forage.
